6. Q. What do you mean by Reformed? What are you trying to reform?
A. The name "Reformed" defines both our heritage and our mission. Our heritage is steeped in the work of God historically in the Protestant Reformation of the 1500's. Among the Baptists who are in this historic and biblical tradition are men like John Bunyan (author of Pilgrim's Progress), Benjamin Keach, Charles Spurgeon, and A.W. Pink. By our mission we mean that we are striving to reform the church to its God-centered identity and absolute fidelity to God's word.
